

ROSCon UK '25

15TH - 17TH SEPTEMBER 2025 | EDINBURGH

Join us for ROSCon UK 2025 in Edinburgh, United Kingdom!

Edinburgh's unique history and vibrant robotics scene make it the ideal backdrop for a gathering of the European ROS community in the UK.

Your sponsorship will help the organisers make the first ROSCon UK memorable, paving the way for future events.

Location

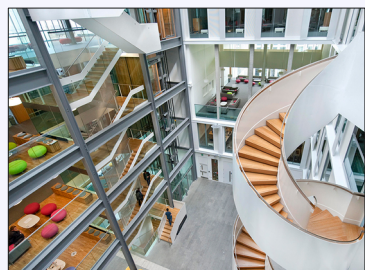

ROSCon UK 2025 will be held in Edinburgh, a city renowned for its beauty, history, and technology.

Edinburgh is a popular destination for conferences, and the dates for ROSCon UK 2025 are likely to be favourable to attendees who are keen to take in all the city has to offer.

Edinburgh is an accessible, modern city, boasting an airport, train station, and bus station. Travellers can take advantage of the efficient and reliable bus and tram system for travel throughout the city.

Venue

ROSCon UK 2025 is to be hosted at the University of Edinburgh's School of Informatics, a renowned institution consistently ranked amongst the top subject

rankings in the world.

The Informatics Forum is an ideal venue for interdisciplinary conferences at the heart of Edinburgh. We will also have the adjacent Bayes Centre and InSpace available.

Nearby, the beautiful Playfair Library at the Old College is to be the Gala Dinner venue for attendees to dine and network.

Events

In addition to the plenary session and workshops, ROSCon UK 2025 will include other key events.

On the first day, a shuttle bus will transport attendees to the National Robotarium, the UK's premier centre for robotics and artificial intelligence innovation.

Based at Heriot-Watt University's Edinburgh campus, it supports cutting-edge research, start-up incubation, and collaborative industry partnerships, driving technological progress across various sectors.

Attendees are also invited to an informal pub night, providing an additional opportunity to network and connect with like-minded robotics experts from around the world.

Attendees

The UK is home to many industry-leading robotics companies and universities. We anticipate a healthy mix of industry professionals and academics will be in attendance at ROSCon UK 2025. We are targeting 180 attendees.

Moreover, the UK is an attractive destination for Europeans and North Americans, and we expect a significant number of attendees from those locations.
